

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. New Generations FCU is committed to compliance with the letter and spirit of the law.

What this means for you: When you open an account we will ask you for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. We will use the information only for complying with the new law.

We appreciate your cooperation and understanding with these new procedures. It is just one way we can all help fight the war on terrorism.
